

INCREASE YOUR VISIBILITY WITH LIGHTING

All SHOWTECH rental lighting comes with power to operate our lights

1000 WATT QUARTZ FLOODLIGHT, mounted on the building ceiling beams or truss (mounting height 18' – 34'). Our most popular and versatile light. Adjustable angle light beam makes this an excellent choice for general illumination or highlighting large areas, i.e. cars, trucks, machinery, coverage approximately 10' by 15'. Generates minimal heat.

500 WATT QUARTZ FLOODLIGHT, mounted on the building ceiling beams or truss, (mounting height 15' – 25'). Popular and versatile light. Adjustable angle light beam makes this an excellent choice for highlighting products, coverage approximately 7' by 10' area.
